Cabins

Scattered throughout our property, our cozy Cabins provide guests with privacy and convenience to all of our amenities. Guest meals (breakfast and dinner) are included in the cabin rates during the main summer season. Cabins may be rented for our traditional week long structure, or inquiries can be made regarding potential shorter term rentals.

Cottages

Available from late May until mid-October weekend, these Cottages allow guests to vacation at their own pace. Cottages are fully furnished and have their own kitchens and cooking facilities. During the spring and fall season, these units require a 2 night minimum. During our main 10 week summer season, Cottages are available for full week rentals only.

Rooms R

Located in our historic lodge building or winter house, these quaint rooms will provide you easy access to all our amenities. Guest meals (breakfast and dinner) are included in the dining room every day during our main summer season. Rooms may be rented for our traditional week long structure, or inquiries can be made regarding potential shorter term rentals.

About Miners' Bay Lodge

Miners' Bay Lodge (MBL) is a seasonal lodge and resort and a special place to many. To the hundreds of guest families that call MBL their "second home," MBL is more than a venerable summer resort; it upholds values of tradition and provides a family-friendly holiday experience that have kept guests coming back for many years.
